An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

- 2. Have system pumped out
- 3. Replace sanitary T and Lid
- 4. Other

Your application will be put on hold until the selected items above have been addressed. When completed **call 893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
