John McNeill  
New Breed Baptist Church Daycare  
3900 Hwy 401  
Fuquay Varina, NC 27520

Dear Mr. McNeill:

When applying for your septic system permit in 1998, we did not receive the information necessary for a daycare. Therefore, a daycare was not permitted or planned for. Upon careful calculations and discussion, it has been determined by Graham Byrd, RS-supervisor, that your daycare will only be licensed by child development and approved by our department for 34 total people. This number includes staff and children.

If you have any more questions regarding your septic system, they may directed to Graham Byrd between 8-9 a.m. at (910)893-7547. If you wish to increase your daycare capacity from 34, then an approval from this department is required.

Sincerely,

*Melissa Ann Teachey, R.S.*
