Potter's Vessel Church

Application Number 10-50025404

Mr. Nowiski,

Thank you for submitting the plans for the church. The plans have been carefully reviewed by a qualified code enforcement official to examine for full compliance with the North Carolina Fire Prevention Code and all other fire protection regulatory documents. There are some items that were found during the plan review process that need to be addressed before a final inspection of the new facility can be given. These items are outlined and described below.

- **1003.2.11 Means of egress illumination.**
  - The means of egress, **including the exit discharge**, shall be illuminated at all times the building space served by the means of egress is occupied
  - Install E-lights as shown on plans
  
- **506.1 Knox Box**
  - A secure key box shall be installed on the new building that houses all keys to all the doors within the building in which the fire department would need access to in the event of an emergency.
  - Knox Box ID stickers shall be placed on all exterior doors in which entry to the building may be gained.
  - The box shall be mounted not to exceed 48 – 60 inches in height.
  - An authorized order form is included with this letter

Thank you again for submitting the plans for the church. Please review the plans and adhere to any notes and alterations that were made in addition to the original drawings. These remarks are for the plans that were submitted and its original intent. These remarks do not apply if the original intent changes or what was submitted on the above date changes. If you have any questions, please do not hesitate to call this office

Again, thank you and we look forward to working with you during the construction period!

Sincerely,

*Teddy Joe McLamb*

T.J. McLamb, CFI  
Chief Deputy Fire Marshal
