It is taking 2.374acs off the large tract and combining it with 0.39ac on parcel 021518-0275. I have split the remaining 0.397acre that was listed on 021518-0275 to parcel#021518-0275-01 because I cannot combine it with the larger tract since it is in name of Gary and Patricia Ennis. Map#2007-240 looks like they are trying to combine the remainder acreage with 021526-0100. Does that make sense? There is a house on it and it looks like it splits it down the middle unless we are off on the mapping..I guess when Michele maps this, she will check that..

BONNIE I AM A LITTLE CONFUSED THERE IS A HOUSE ALREADY ON THIS TRACT OF LAND 02 1518 0275 ACCORDING TO GIS SO WHAT WILL ITS PARCEL NUMBER BE BECAUSE THE SITE PLAN DOES NOT SHOW ANOTHER HOUSE ON IT. IT LOOKS LIKE IT TOOK A LITTLE FROM THE TRACT AND A LITTLE FROM THE ONE NEXT TO IT AND SOME FROM THE ONE BEHIND IT RIGHT.

That will be it..Evidently Sheila and Kelli have not gotten that up to date on the deeds yet..I will print it and make the changes...The parcel number will stay the same for the split and combine..021518-0275.

Thanks
 Bonnie

The problem is that the tract they are splitting the additional acreage from is in the name of Gary M Ennis only and the one they are combining this acreage with is in the name of Gary and wife, Patricia Ennis..Need deed from Gary conveying the interest in the acreage being split to Gary and Patricia..Hope this makes sense...
Have a great day..
Bonnie
