NOTES/COMMENTS:

Attached are the following for permit review:

1. 2 sets of sealed building (architectural, structural, plumbing, mechanical, and electrical) drawings
2. 1 CD with the electronic file
3. Application for Plan Review

The civil drawings have been reviewed, but I do not know if they have received final approval. The pin number is 0670-86-6402.

STE General Contractors will be the contractor, and they will submit the proper paperwork along with payment when drawings are approved. Please feel free to call us 919 807-1111 if you have any questions.
