

**HARNETT COUNTY CENTRAL PERMITTING**  
108 E FRONT STREET · LILLINGTON, NC 27546 · 910-893-7525

Date: 02/01/11

Applicant: Margaret Mosley

Project Name: Little Miracles

Technician: Richard Del Conte

Customer wants to complete the daycare. She was checking to see what was required to updated the permits and continue with the project.

I called her back with the following information.

- 1) Health & Sanitation: Turn in updated daycare form, menu & plans (no fee).
- 2) Project no longer on septic, will be sewer.
- 3) Fire Marshall: (2) sets of plans to review since project was (2) years old. (FM will assign fees due)
- 4) Inspections: (2) sets of plans to review since project was (2) years old. (\$50 plan review fee)
- 5) No permit fees required because permits were valid as of 1/1/08.
- 6) Planning: Jay wants to look at site again, plan already scanned (\$40 fee)

9/21/07 LF-neum

9/21/07 2 plans to building, 2 to FM

9/21/07 1 to H&S w/ daycare app, missing some info, will submit soon

9/13/07 submitted more info for H&S, submitted down by age group

9/29/07 Per: Don he needs a stamped & of revised plans. On hold till then. No.

8.16.07 Called Mr. Madley and informed him. JM and RAG did not need anything else. R. now until after DEB meeting. Lynwood won't like copy of revised site plan was off.

8.22.07 Per Planning, customer is not yet. They were conditionally approved DEB group, but still had to resubmit. Once approved customer can continue and we can issue permits. Done.

8.24.07 - Customer cannot go thru area until we have approved site plan. -

07 50016983

8:27:07 Approved site plans given to me  
by Samantha. I will send one to health.  
I sent email to Oliver @ health and  
the fella. djdunson

10/30/07

File on hold as per Env. Health. Man  
was moved and set up 21 ft off  
and is in the repair area of septic.

Joseph spoke w/ John Rouse @ Env.  
and has also spoken w/ Mark and  
is going to go out and check as  
well. Nothing on this file until the  
issue is fixed. JJB

4/24/08

After talking w/ Oliver and planning the file is  
no longer on hold. The customer will be  
going on sewer. JJB
