RE: Status of Improvement Permit Application

Dear Mr. Cutler:

On October 08, 2001, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to the property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other

Once our office has been unsuccessful in evaluating your property due to an error on your part, there is an additional charge of \$25.00. **You will need to go to Central Permitting and pay the additional fee and call our office at 910-893-7547 and confirm that these items have been corrected.** When you have completed #1 and #2, paid the additional charge, and called our office to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe West".
