RE: Harnett County Land Use Application 02-5-4918

Dear Mr. & Mrs. Sanders,

On June 25, 2002, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required (due to rocky soil conditions)
- 6. Other See attached for the location of backhoe pits. Area has been marked with pink ribbon. Pits need to be 4 feet deep and 3 feet wide.

When you have completed #5 and #6 please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

If you should have any questions you may contact me between the hours of 8am – 9am Monday thru Friday.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe West".
