Re: Status of Improvement Permit Application #05-5-11838

Dear Mr. and Mrs. Knapp,

On April 26, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed - **Area around house and system area needs to be mowed.**
- 5. Backhoe pits required
- 6. Other - **Driveway needs to be marked.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected; we will then reschedule your property for evaluation.

Sincerely,

Oliver Tolksdorf, R. S.
Environmental Health Soil Scientist
Harnett County Department of Public Health
