Dear Mr. Webster:

An Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 6. Other *Your house site is on top of designated area for repair for existing home. Please uncover septic tank and Distribution Box for existing home so that I may be able to locate drain lines to see how much repair area I need for existing home and where the new home may be placed, out of the repair area.*

When you have completed # 1 & #6 please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.
