**Re: Status of Improvement Permit Application #08-5-19917
Shawn & Stacey McCracken**

Dear Mr. and Mrs. McCracken,

On May 15, 2008, a second attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. **Other – Move home as shown and submit new plot plan to Central Permitting.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7527 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

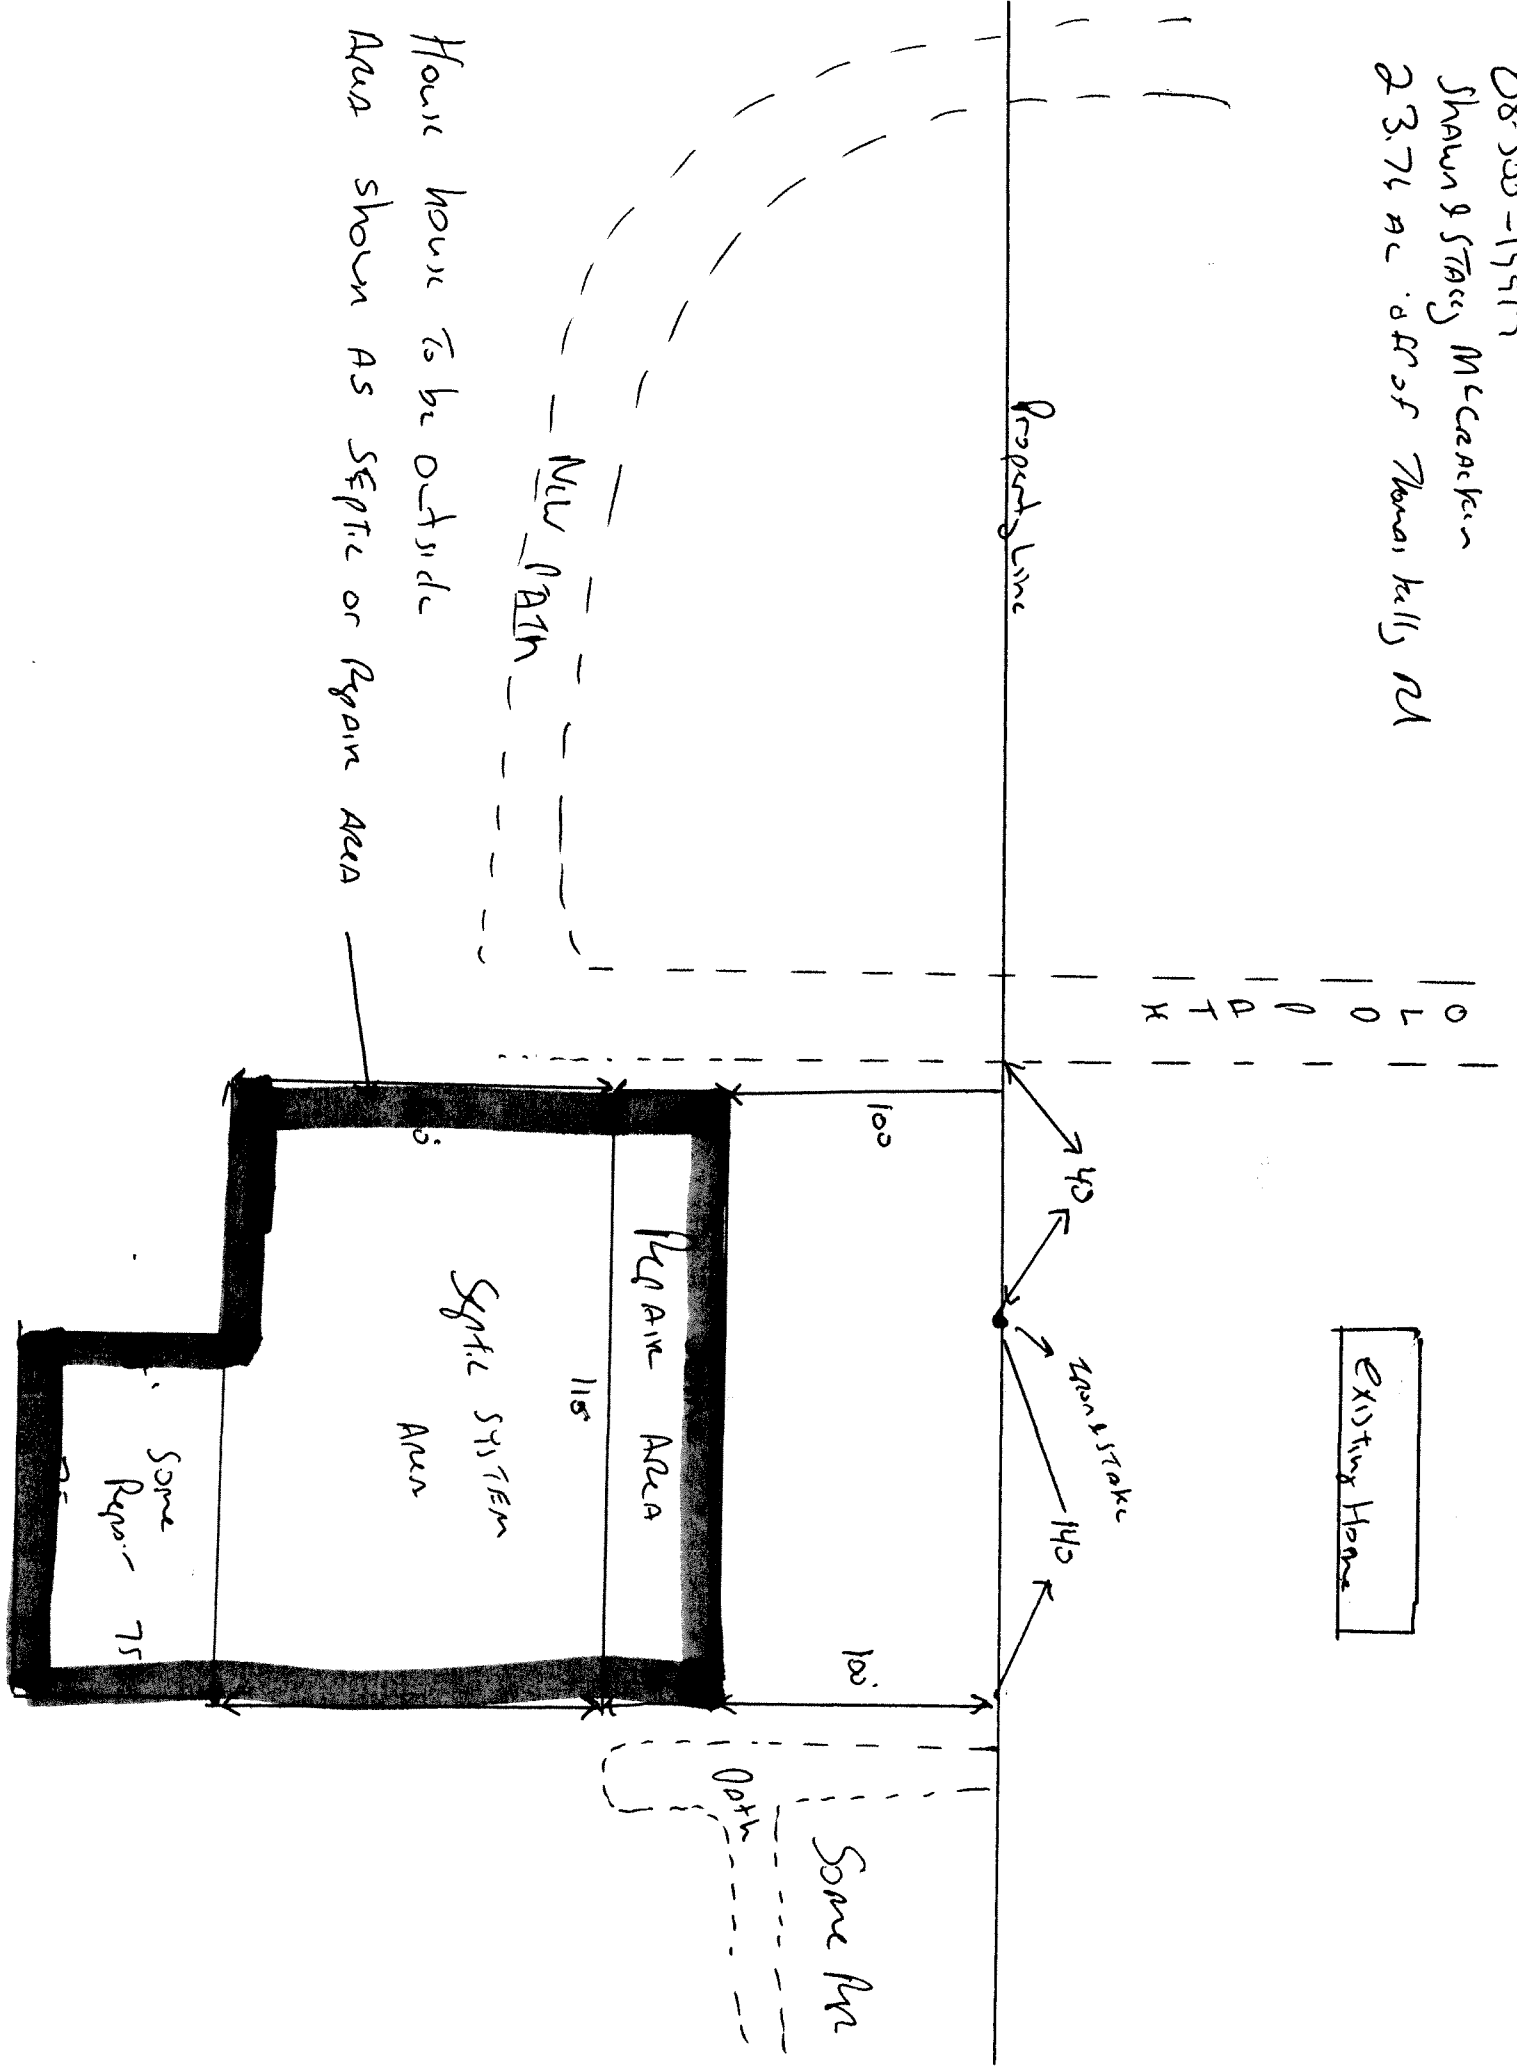

Joe West, R. S.
