Re: Status of Improvement Permit Application # 15-5-36837

Dear Mr. Clayton,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible *(\$25.00 fee incurred)*
- 2. Use orange flags to mark house corners *(\$25.00 fee incurred)*
- 3. Directions not clear to property *(\$25.00 fee incurred)*
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. **Other – Please have 60 foot easement surveyed so that I can verify setbacks. I need your site plan revised to reflect a proposed building that is flagged which is not shown on the current site plan submitted to me. I also need to see the soil scientist report for this property. Call me at the number listed below if you have questions.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
