Re: Status of Improvement Permit Application #05-5-12807

Dear Mr. Stallings,

On August 17, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled - *Find all corner irons and accurately mark property irons.*
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. **Other** – *Due to rocky soil conditions backhoe pits will be needed. Call me between the hours of 8:00 and 9:00 a.m. to schedule a time when I can meet backhoe on site at the number listed below.*

When you have completed this, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.  
Environmental Health Specialist  
Harnett County Department of Public Health
