Donna, Verizon is looking to replace some antennas to the cell tower located at the above referenced address. Please see the attached collo application, land use application, one set of CDs, and a copy of the structural analysis. I am putting a check in the mail today in the amount of \$1,000 for the review fee. Please let me know if you have any questions or need anything else.

Re: Permit needed for Equipment upgrade at cell tower

Donna,

I am working with Verizon. They are looking to replace some antennas on an existing cell tower located at 101 Cypress Drive, Spring Lake, NC in Harnett County. Enclosed please a check in the amount of \$1,000 for the review fee. I have already emailed you a copy of the applications, CDs, and SA for review. Please let me know if you need anything else for approval.

Sincerely,

Katie Caumisar
