On 4-26-27-11 I JAMES E. MANHART III performed an inspection of a septic system. Permit # 26408, HTE # 10-5-252012, for applicant being: Charles L STEVENS. Everything installed on this date met the conditions of the permit.

However, an Operations Permit cannot be issued at this time because all of the conditions on the Improvement Permit and Construction Authorization have not been met.

Sincerely,

James E. Manhart R.E.H.S.
