**Re: Status of Improvement Permit Application # 11-5-27583R**

Dear Mr. Rodriguez,

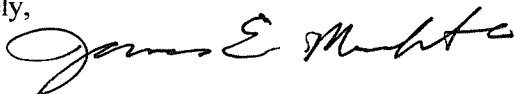

An attempt was made to evaluate your property for the purpose of issuing a **second revised Improvement Permit and the final Operations Permit**. The permits **could not** be completed for one or more of the following reasons.

- \_\_\_\_\_ 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible (*\$25.00 fee incurred*)
- \_\_\_\_\_ 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- \_\_\_\_\_ 3. Directions not clear to property (*\$25.00 fee incurred*)
- \_\_\_\_\_ 4. Property needs only brush or vegetation removed
- \_\_\_\_\_ 5. Driveway not shown on site plan
- \_\_\_\_\_ 6. Backhoe pits required
- X   7. **Other – Revise site plan at Central Permitting to show correct house size and placement (setbacks). Improvement Permit will be revised and then Operations Permit (final) on septic tank can be issued. Operations Permit is on hold until this is received.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
