Good afternoon, Mr. Faulk. It has come to my attention that I did not get some additional information from you for the farm building you are building. I have attached a list of items that can be chosen from that I have marked. One of those items near the bottom can be submitted to me to keep this as a farm building. I will need one of the items listed before you can get a final on the building. I noticed you are on for insulation and a rough in for tomorrow, but you will not be able to get a final until I received one of these items. Please call me if you have any questions. sorry for the inconvenience.

Thank you,
Donna M. Johnson
