To Whom It May Concern:

Robert F. Naylor came to report his intentions of crops to be planted on the land he recently purchased listed under Farm Serial Number 13683. He also has existing farm land on Farm Serial Number 2351. Per our regulations, these two farms will be combined into one farm serial number that will be assigned at a later date.

Please accept the existing Farm Serial Number 13683 for any purpose as required for your purposes.

Thank you.
