**Re: Status of Improvement Permit Application #4-5-9895**

Dear Mr. Mackie,

On July 16, 2004, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled **Please use orange flags provided**
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other

When you have completed #2 and #4, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Oliver Tolksdorf, R. S.  
Environmental Health Soil Scientist  
Harnett County Department of Public Health
