Application number 04-50010227 RR

On August 11, 2009 Barry Patterson called and spoke with me about this application. He wanted to add on a deck to the site plan. The 5 year EH (IPAC was set to expire September 17, 2009. I called and spoke with Joe West . I asked him should we do a new application number he suggested "no" that the old application would "start the clock back over and the customer gets another five years".
