Re: Status of Improvement Permit Application #4-5-11066

Dear To Whom It May Concern,

On February 1, 2005 an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other *Your private consultant has submitted the following changes for Lot 100 – Woodshire. Please submit the new plot plan (See attached) to Central Permitting so I can issue you a permit.*

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
