Re: Status of Improvement Permit Application #5-5-11088R Lot 61 - Cont. # 18474  
#5-5-11218 Lot 62 - Cont. # 18475

Dear To Whom It May Concern,

On February 21, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other Your Private Consultant has 2 options for these lots. Please review options and notify me of which option you want to do.

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

*Joe West, R.S.*
