Re: Status of Improvement Permit Application #⁵4-5-11315
Lot 73 Woodshire

Dear To Whom It May Concern:

On February 17, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other **Due to lot size, soil condition etc., you will need to change this house from 4 bedrooms to 3. Please submit changes to Central Permitting so that the permit can be issued.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
