**Re: Status of Improvement Permit Application #05-5-11319R
Lot 79 Woodshire**

Dear To Whom It May Concern,

On April 12, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required

6. Other *Home must be 3 bedrooms and moved within area I have flagged. (see enclosed map)*
NOTE: Drive must be along property line with easement (10 feet) with drive being maximum of 10 feet wide until passing through septic area.

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R.S.
