NABD WORK marked

This survey is of an existing parcel or parcels of land and does not create a new street or change an existing street. That the survey is of an existing building or other structure, or natural feature, such as a well, easement, or that this survey is a control survey.

This plat is of a survey of another category, such as a recombination of existing parcels, a court-ordered, or other exception to the definition of subdivision.

The information available to this surveyor is such that I am unable to make a determination to the best of my professional ability as to provisions contained in (A) through (D) above.
