Dear To Whom It May Concern,

On June 23, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other **Due to soil conditions you will need to move home. See attached sheet for new home set backs. Please submit changes to Central Permitting.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

*Joe West, R.S.*
