**Re: Status of Improvement Permit Application #05-5-12663 Lt 68 Forest Oaks
#05-5-12659 Lt 64 Forest Oaks**

Dear To Whom It May Concern,

On July 29, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other **Your consultant has sent in a plot plan & system design for a 3 bedroom home. Your application is for 5 bedrooms. Please resubmit application as a revision to Central Permitting to match your consultant work or have consultant design for 5 bedrooms.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R.S.
