Re: Status of Improvement Permit Application #05-5-13008

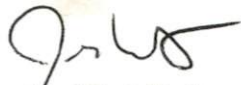

Dear Mr. Bethea,

On September 15, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled - *with flags provided (pink flags)*
- 2. House corners not marked or labeled - *with flags provided (orange flags)*
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other *On 9-15-05 nothing was marked - All I saw was the orange sign on tree.*

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
