**Re: Status of Improvement Permit Application #05-5-13750**

Dear Mr. Allen,

On January 23, 2006, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required – **Due to rocky soil conditions backhoe pits will be needed. Please have your backhoe operator contact me between 8 – 9:00 a.m. at the number listed below to schedule a day and time.**
- 6. Other

When you have completed this, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
