**Re: Status of Improvement Permit Application #06-5-13913**

Dear To Whom It May Concern,

On January 31, 2006, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required – **Due to rocky soil conditions, please have your backhoe operator call me to schedule a time to meet on site at the number listed below. Please call between 8 – 9:00 a.m.**
- 6. Other

When you have completed this, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
