Re: Status of Improvement Permit Application #06-5-13919 Lt 107
#06-5-13920 Lt 108
#06-5-13921 Lt 109

Dear To Whom It May Concern,

On February 1, 2006, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – **You have applied for 4 bedroom homes. Consultant letter states (see attached) for 3 bedrooms. I need lots 107,108,109 cleared so I can try to lay out systems for 4 bedrooms, or you can revise applications to 3 bedrooms.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
