RE: Status of Existing Tank Permit Application #06-5-14001

Dear Mr. and Mrs. Lee,

On February 10, 2006 an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Existing Tank Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Uncover outlet lid on septic tank and break seal
- 2. Have system pumped out
- 3. Replace sanitary T
- 4. Other – **Due to size of tank lid, I will need the lid removed. Please call to set up a date to have tank reinspected.**

When you have completed this and called me at 893-7547, **(between the hours of 8 – 9:00 a.m.)** to confirm that the items mentioned have been corrected; I will then reschedule your property for evaluation.

Sincerely,

Oliver Tolksdorf, R.S.
Environmental Health Soil Scientist
Harnett County Department of Public Health
