**Re: Status of Improvement Permit Application #05-5-12686  
Lt H-6 Carolina Seasons**

Dear To Whom It May Concern,

On August 2, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other **There is a septic easement located on Lt H-6 (see enclosed map). Please locate the corners of easement and mark. Also note, that location of homes must be at least 5' from any drain field including, those on the septic easement. Please submit changes and map with easement to Central Permitting. Reconfirm through the automated phone system.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.  
Environmental Health Specialist  
Harnett County Department of Public Health
