Re: Status of Improvement Permit Application #06-5-15321 – Woodshire Lt 147

Dear To Whom It May Concern,

1272756

On September 18, 2006, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

1. Property lines/corners not marked or labeled
2. House corners not marked or labeled
3. Directions not clear to property
4. Property needs brush or vegetation removed
5. Backhoe pits required
6. Other – **House needs to be three bedrooms. Please revise application at Central Permitting.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
