**Re: Status of Improvement Permit Application #05-5-12968  
Lot 16 Colonial Hills**

Dear To Whom It May Concern,

On September 12, 2005, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other **Due to large amounts of soil disturbance on your lot, you will need to have the private consultant provide septic system layout and design.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.  
Environmental Health Specialist
