**Re: Status of Improvement Permit Application #06-5-16028R  
Colonial Hills Lt 56**

To Whom It May Concern,

An Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – Move house as shown on the attached sheet. Please send revised plot plan to Central Permitting. Your other option is to have your private consultant provide an alternative layout.

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected; we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
