**Re: Status of Improvement Permit Applications #06-5-16301RR**

To Whom It May Concern,

On November 20, 2007, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required

**6. Other – The consultant report and layout is for a 3 bedroom home although your application shows 4 bedrooms. You should either get consultant to design for 4 bedrooms or apply for a 3 bedroom home.**

Your application will be placed on hold until the selected items above have been addressed. When you have completed this, **please call 910-893-7527 to confirm** that the items mentioned have been corrected; we will then reschedule your property for evaluation.

Sincerely,

  
Joe West, R. S.  
Environmental Health Specialist  
Harnett County Department of Public Health
