**Re: Status of Improvement Permit Applications #07-5-16924 Forest Oaks Lt. 92**

To Whom It May Concern,

On March 27, 2007, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – **Please reduce home to 4 bedrooms or have a private consultant to provide septic system and repair layout for a 5 bedroom home. If changing to 4 bedrooms, make changes at Central Permitting.**

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
