- _____ 4. Property needs only brush or vegetation removed
- _____ 5. Driveway not shown on site plan
- _____ 6. Backhoe pits required

X 7. Other – The current permits and house sites were determined in conjunction with a licensed soil scientist . Any changes to the house will need to be accompanied by a proposal from a licensed soil scientist.

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
