Re: Status of Improvement Permit Application #07-5-17034R

Dear Mr. Johnson,

On April 13, 2007, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled for easement
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Bryan McSwain, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
