Re: Status of Improvement Permit Application #07-5-17432 Lt 84

To Whom It May Concern,

On May 7, 2007, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – Please move home as shown on the attached sheet. You must reduce the number of bedrooms from 4 to 3 and also change location of drive way also. Submit as a new plot plan to Central Permitting, and reconfirm.

When you have completed this, please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
