**Re: Status of Improvement Permit Application #07-5-17603  
Patton's Point Lt. 8**

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required

**6. Other – Due to excessive amount of soil removal on part of the lot and due to the excessive amount of fill soil on the other parts of the lot, you will need for your private soil consultant to provide proposed septic and repair layout. Submit revision to Central Permitting.**

Your application will be put on hold until the selected items above have been addressed. When completed please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
