To Whom It May Concern,

On August 22, 2007, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed so that I may do septic system lay out.**
- 5. Backhoe pits required
- 6. Other

Your application will be put on hold until the selected items above have been addressed. When completed please call **910-893-7547** to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
