

COMMENTS: 10/8/07 meet w/ Mr. Barnes & discussed his opt. w/

house plans were not included in application, He said he would talk

w/ Soil consultant

<sup>Bnotes</sup>  
12/9/08 Meet w/ Jente Curran on job site, area for drain field

compromised due to grading. Talked w/ Mr. Barnes & referred him

back to Soil consultant to reevaluate area

<sup>Bnotes</sup>  
12/12/08 Met with Mike Ecker & Mr. Barnes about system area

& layout. Bump of dirt to be removed so drain lines could be installed. Talked

about tank placement. Advised Mr. Barnes about foundation drain need to

be run away from system area & be mind full of landscaping.
