Re: Status of Improvement Permit Application #07-5-18263

Dear Mr. Cummings,

On August 22, 2007, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed so that I may do a septic lay out.
- 5. Backhoe pits required
- 6. Other

Your application will be put on hold until the selected items above have been addressed.

When completed please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R.S. sgs
