Re: Status of Improvement Permit Application #07-5-18354

To Whom It May Concern,

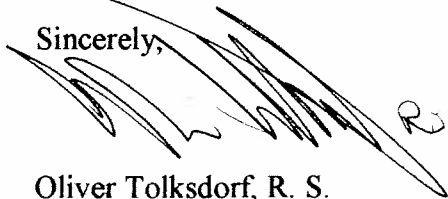

On September 10, 2007, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required

6. Other – House site needs to be moved five feet to the left when looking at the lot. Please submit your changes to Central Permitting and reconfirm through the automated phone system.

Your application will be put on hold until the selected items above have been addressed. When completed please call **910-893-7527** to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
