Re: Status of Improvement Permit Application #07-5-18691

To Whom It May Concern,

On October 29, 2007 an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled – See below**
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed – See below**
- 5. Backhoe pits required
- 6. Other

All irons need to be visible and all property lines marked. Small trees and thick vegetation need to be removed.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7527 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
