Re: Status of Improvement Permit Application #07-5-18730

Dear Ms. Jones,

On October 29, 2007 an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required

6. Other – Have your surveyor properly mark the septic easement and also I need a recorded copy of the map which shows that the septic easement has been recorded. You will need to submit this as a revision to Central Permitting.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7527 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
