Re: Status of Improvement Permit Application #07-5-18772 & #07-5-18774
Pope Lake

Dear Mr. Langdon,

On November 5, 2007, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- _____ 1. Property lines/corners not marked or labeled
- _____ 2. House corners not marked or labeled
- _____ 3. Directions not clear to property
- _____ 4. Property needs brush or vegetation removed
- _____ 5. Backhoe pits required
- X 6. Other – See below

Lot 3 needs a revision to site plan to change front property line from 45 feet to 36 feet. Lot 2 needs a new map that matches the property.

Your application will be put on hold until the selected items above have been addressed.

When completed please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Bryan McSwain, R. S.
