**Re: Status of Improvement Permit Applications #07-5-18801 Lt 205
Forest Oaks**

To Whom It May Concern,

On January 3, 2008, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. **Other – Due to house size, lot size, and soil conditions, you will need to have your private soil consultant to provide septic system and repair system lay out.**

Your application will be put on hold until the selected items above have been addressed.

When you have completed this, **please call 910-893-7527 to confirm** that the items mentioned have been corrected; we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Department of Public Health
